Hi! I am William (Bill) Danka. My wife Becky and I own three units at Moonspinner. My daughter and her husband own one unit. Needless to say I have a vested interest in a successful Moonspinner. We live full time in Panama City and spend much time at Moonspinner especially during the shoulder seasons. We intend to make Moonspinner our permanent home in the near future.

I have served one term on the Board as an at large member and one term as building B Board member and two years as Rental Committee Chair. I was also involved with our HOA in San Antonio Tx in various positions for 6 of the 9 years we lived there.

I am currently retired from a career as an engineer in the aerospace industry with the US Navy and The Boeing Co. Education credentials include a BS, MBA and MA.

I believe Moonspinner has a bright future. Thanks in advance for your consideration!
